

Year 2 Home Learning

Friday 8th February - Friday 15th February 2019

Dear Parents & Carers,

This week in Maths we have been revising and assessing everything that we have learnt this term and it has been great to see how much progress the children have made. In English we wrote our very own dragon story and we have now almost finished exploring 'The Twits' by Roald Dahl in guided reading. We have also been looking at online safety this week and took part in Safer Internet Day. We have discussed that it is important to not share personal information online and must use technology respectfully.

Reading: Please keep reading at home and encouraging your child to complete their quizzes at school. Remember to let us know about their home reading (any reading it doesn't have to be their school reading book) in their home contact books. The children are making really good progress with their reading and we are very grateful for all of the support you are providing at home.

Spelling: Thank you for your support with last week's spellings. Here are this week's 1 and 2 Star Spellings. Remember the children **only need to learn 1 set of spellings** but please do encourage them to challenge themselves.

This week's spellings are:

★ 1 Star Spellings ★	★ 2 Star Spellings ★	
1. said	1. should	6. beautiful
2. are	2. would	7. because
3. was	3. could	8. people
4. no	4. sugar	9. everybody
5. go	5. eye	10. improve

In phonics/spelling this week we have been reviewing and assessing the sounds and spelling rules that the children have learnt this term, in preparation for regrouping the children next term.

Maths: We have set some activities on Mathematics that you might like to do this week as well as the attached arithmetic sheet.

Great Fire of London: Next **Friday 15th February** we are going to recreate the Great Fire of London using the houses that the children have made. We will be starting the fire at **3pm** and it would be lovely if any parents/carers would like to join us and watch the fire with the children. Please meet by the Year 2 area and we will all walk over to the field together.

Dates for your Diary:

Thursday 7th March - World Book Day - children are invited to dress up as their favourite book character (more details to follow).

Friday 15th March - Comic Relief - our theme this year is 'Wild Hair and Red Clothes' for a suggested donation of £1.00.

Thank you for your time and support.

Mrs Kreiselmeier and Mr Pollard

$84 + 12 =$

$85 - 21 =$

$6 \times 2 =$

$80 \div 10 =$

$\frac{1}{3}$ of 12 =
