Here are some of the positive comments from the questionnaires:

- My daughter has flourished so much in the three years she's been attending Ditton Infant. Could not fault them for a thing as she's been so happy!!
- I think the school is absolutely wonderful. The classes are obviously engaging because I hear about them, the science experiment with the gummy bears, the facts about penguins! She loves school and having a child that is more than happy to walk out the door Monday to Friday without any stress is fantastic.
- We are very happy with the school and thank all staff for the contribution they make to our child's primary education.
- Even better if could accommodate a clubs during the school holidays or breakfast and afternoon clubs, unfortunately not many of them around the area.
- Very happy for my child to be at this school, and grateful for the care they show her
- Any concerns or issues are always addressed promptly and I feel my child is safe, happy and making good progress.
- The schools approach has always been one of an open nature. Every staff member is approachable and genuinely cares about the children's wellbeing and development. This is a top school with excellent teachers who always have a nothing is too much trouble attitude.
